## *Wands at the ready - to SERVE!*

by Conferences & Conventions Chair Tyler Tallmadge

Every year clubs from all around the Pennsylvania District come together for a weekend full of service, fellowship, and leadership. This year the Pennsylvania District Board welcomes all witches and wizards to join us on the weekend of November 3<sup>rd</sup> through 5<sup>th</sup> for the 2017-2018 InterPACK!

Upon arrival to InterPACK clubs will be broken into houses and throughout the weekend they will compete for house points. By being broken into houses, attendees will have the chance to branch out and make connections to other clubs in the district. Attendees will be able to get their hands dirty by participating in the Large Scale Service Project that's being organized by Chair of Service, Scott Tustin.

It won't be all hard work though! The houses will compete in a Quidditch Tournament and have a chance to test their skills during the scavenger hunt. The fun and games don't stop there either. During the weekend, there will be a screening of one of the Harry Potter films as well as a chance to prove just how much you know with trivia.

Start getting your brooms ready to make the trip to InterPACK 2017. You will get the chance to meet people from all over the district and have a magically good time serving others!
