ROLE CALL ROLE CALL ROLE CALL

One of the major parts of opening session is seeing what clubs are in attendance at district convention. During the opening session, we call out each club in the Pennsylvania District and wait for a response. Now, you can easily response by saying "Here" Or...

Show Your School Pride!

Come to the Opening Session decked out in your club shirt or school apparel. If you have any other fun school spirit wear, such as hats, foam finger, etc., Wear It All!

When we call your club, show your school spirit by having an awesome club chant!

It can be something you school uses for sports events or you can make your own.

“ Leadership Academy was the best possible way I could have spent a week of my summer. I've been to leadership workshops and camps before, but none of them allowed me to specifically connect with other Circle K students and share ideas about what it means to be a leader. More importantly, how I can help to improve my home club. I met a ton of great people, and within a few days, I can honestly say I opened up to them to the same degree that I am open with my best friends from home.

explore. inspiration | self-awareness | build personal leadership abilities and skill sets | identify a mission and leadership purpose

engage. share ideas | develop interpersonal communication | build relationships | teambuilding | create environments for collaboration
