Pennsylvania District of Circle K District Convention 2020 *Amendments and Resolutions Form*

The House of Delegates is truly where Pennsylvania Circle K members take ownership of the organization. As the Pennsylvania District's official policy-making body, the House of Delegates allows two representatives from each club chapter to meet once a year at the Annual Convention to vote on policies and to elect our district officers.

All active Circle K members and clubs have the ability to submit amendment(s) and/or resolution(s) to be considered at the Annual House of Delegates.

- Amendment(s) can be made to the Pennsylvania District Bylaws, the district governing document, located on the District Website at www.pacirclek.org.
- Resolution(s) can be general or more particular statement(s) that are announced at the end of the session and logged with the official meeting minutes. This can be about District Convention as well as business of the house and/or District.
