

WHAT IS A SERVICE HOUR?

Circle K International

ANY SERVICE YOU DO WITHIN OR OUTSIDE OF CKI!

No matter where you are serving or whom you are serving with, you're always representing CKI! This means you can count any service you complete, even if you don't complete it with your CKI club.

TRAVEL TIME TO AN EVENT!

Any travel time to a service event that is over 30 minutes may be counted as service hours.

FUNDRAISERS!

As long as the funds from the event go to a charitable cause, you can count time at a fundraiser as service hours.

UP TO 100 ADMINISTRATIVE HOURS

You may log UP TO 100 HOURS of administration as service hours. This could be time spent planning service events, attending meetings, etc.
