## InterPACK 2023

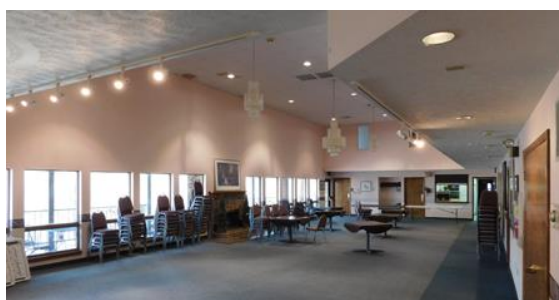

The District Board has planned an awesome and eventful weekend for InterPACK this year. We will be staying at the Laurel Lodge in Altoona, PA from October 27-29, 2023. This year the attendees will be sleeping in bunk beds, not sleeping bags (plus, proper showers). The cost is \$55.00. This covers all meals, lodging, and activities. There is a one-day attendance option that is \$40.00.

The focus of the event will be the service project on Saturday. We will be volunteering at the St. Vincent de Paul Community Gardens in Altoona. The organization is excited for us to help out with some maintenance, winterization, building raised garden beds and a trellis system, and more. In addition to the service project, the Board has planned some great workshops, both fun and educational. If you would like more information or have any questions, please contact me at [administrator@pacirclek.org](mailto:administrator@pacirclek.org).

## My Name Is...

Hi Everyone! My name is Brett Cutright and I'm the new District Administrator for Pennsylvania Circle K. My role as District Administrator is to help and guide the board in their leadership positions and maintain positive communications between Kiwanis and Circle K. I live in Lansdale, but I'm currently a member of the Conshohocken Kiwanis Club outside of Philadelphia. My past Kiwanis Family experience include 4 years in Pennsylvania Key Club, 5 years in Pennsylvania Circle K, and 4 years in Kiwanis. I served on 2 District Boards in Key Club, 4 District Boards in Circle K (including District Governor), and past Keystone Kiwanian Editor. I'm currently an accountant with IKEA where I work with stores

around the United States and eat a lot of meatballs. In addition to volunteering, I also enjoy travelling. My most recent trips were to Guatemala and Hawaii.

## District Convention 2024: Greensburg

Pennsylvania Circle K District Convention (DCON) will be held in Greensburg, PA at the University of Pittsburgh-Greensburg from March 22-24, 2024.

Attendees will be staying at the Hampton Inn in Greensburg and attending sessions, meals, and workshops on campus. By holding the convention at a school, we are able to eliminate meeting room and A/V fees. This will

decrease the registration significantly for all attendees compared to previous years. More information will be available in January, but make sure to save the date and get in budget requests!

## International Convention 2024: Denver

Circle K International Convention (ICON) will be held in conjunction with Kiwanis International Convention in Denver from July 3-6, 2024. The District may have small scholarships for students to apply for if they are interested in attending. Funds can also come from the school, Kiwanis Club, or personal fund. For more information, please contact me at [administrator@pacirclek.org](mailto:administrator@pacirclek.org).

## Dues

It's that time of year again...Dues Time! This is just a reminder that clubs need to pay their dues before District Convention. International Dues are \$24.00, District Dues are \$10.00, and Club Dues are determined by the club. The District did raise dues at District Convention in March by \$3.00, but it was rejected by International for not following proper procedures. If your club needs help with the dues process, please let me know and the District Board will be more than happy to assist them.
