## SUMMER SCHEDULE

The District will have many opportunities to participate in over the summer. We have a board meeting coming up on **June 6<sup>th</sup>**. It is important for your Circle K Presidents to attend as they are now voting members of the District Board. If your President cannot attend, please send another officer. We do have some official business to vote on, but we will also be polling attendees about what we will be doing at InterPACK and DCON.

Next up is International Convention in Dallas, Texas from July 1<sup>st</sup>-3<sup>rd</sup>. We are bringing 5 members this year and are excited to be with Key Club's ICON at the same time. A recap will be in the next newsletter.

Later in July, a K-Family Board meeting will be happening on **July 18<sup>th</sup>** in Grantville, outside of Hershey. This will be open to all Circle K officers who would like to attend. Lodging and some transportation expenses may be reimbursed depending on how many people are interested in attending. Details are still being worked about by Governor Barb, but it should be a fun and engaging weekend for everyone.

Club officer training is taking place throughout the summer. See the next page for more information. Tell your officers to be on the lookout for upcoming opportunities for training. If their training can't be conducted over the summer, then one on one sessions can be scheduled.

Finally, we will have an August board meeting to discuss final details for InterPACK, layout our plans for the fall, and recap - International Convention. An availability survey will be sent out in mid-July.

## MISSING!!!

I'm missing the following officer election reports. It is important that these are submitted so we can contact clubs on important dates, news, and events that are coming up. Please work with your officers to submit as soon as possible!

A Secretaries and Treasurers training is currently being planned for June. An Editors and Chairs survey is currently out to check people's availability in June. Topics will be similar, but tailored to their positions. Additional sessions will be made available throughout the summer and early fall
